In this Agreement and Disclosure, the words "I", "me", "my", "you", "your", "yours" refer to the member of Teachers Federal Credit Union that applied for and/or uses any of the Mobile Deposit Services. The words "we", "us", "our", "Credit Union" and "TFCU" refer to Teachers Federal Credit Union (TFCU), our affiliates and third parties who assist TFCU in providing the Service.

INCORPORATION OF AGREEMENT AND DISCLOSURES.

Your application for use of the Service, your notification of approval of your application, and TFCU's Truth-in-Savings Agreement and Disclosure, TFCU's Electronic Funds Transfer Agreement and Disclosure, TFCU's Funds Availability Policy and the Schedule of Fees, which by this reference are incorporated into this account disclosure in their entirety.

Both you and the Credit Union will be bound by this Agreement and Disclosure. If there is a conflict between this Disclosure and something said by one of our employees, you agree that this Disclosure controls. If any part of this Disclosure should be held to be unenforceable, the remaining provisions of this Agreement and Disclosure shall remain in full force and affect.

You understand that the agreement and disclosure, rules and regulations applicable to your Share/Savings Account, Checking Account, and any other account you have with the Credit Union remain in effect and continue to be applicable except as specifically modified by this Disclosure.

Requesting, retaining, using or permitting another person to use the Service constitutes an acceptance by you of all the terms and conditions set forth in this Agreement and Disclosure and binds you to all the rules and regulations governing the use of the Service.

DEFINITIONS.

Capitalized terms defined in this Agreement shall have the meanings indicated in this Agreement.

A service provided to members that uses an approved mobile device to electronically transmit a digital image of a paper check for deposit.

"APPLICATION" A delivery channel for various services, information, and other functions that can be added to an electronic device.

“MEMBER” An individual who holds a membership account at Teachers Federal Credit Union.

“MOBILE DEVICE” An electronic device that includes a cell phone, iPad, or SmartPhone with camera that allows an Application to be added.

“VERIFIED ITEM” Any check that passes the verification process that includes but is not limited to verifying a date, payee, signature, payor name and address, payee endorsement, the MICR line, and other factors.

“NON-VERIFIED ITEM” An item that is rejected because it has not passed the validation process or does not meet the quality image described in the Agreement.

“SUBSTITUTE CHECK (A DIGITAL IMAGE)” A paper check (Check) converted to a digital image that states it is a legal copy of your check and it can be used in the same way as an original check. A substitute check may be used as proof of payment just like the original check.

APPLICATION & IMPLEMENTATION.

The Credit Union will make available to you an application to use the Mobile Deposit Service. Following your receipt from the Credit Union of notification approving your use of the Service, you are authorized to remotely deposit certain paper checks you receive to your account with the Credit Union by electronically transmitting a digital image of the front and back of the paper check to Teachers Federal Credit Union. Both the Credit Union and Member will comply with the terms and provisions of this Agreement with respect to the use of and the performance of the Service.

The Member captures digital images of Checks using the Application and a Mobile Device that meets the technical specifications acceptable to the Credit Union, and within certain limits as established by the Credit Union.

EQUIPMENT.

To use the Service, you must have a supported mobile device with a supported camera and a supported operating system, have a data plan for your mobile device, and download TFCU's App to your mobile device (collectively, the "Mobile Device"). We do not guarantee that your particular mobile device, mobile device camera, mobile device operating system or mobile carrier will be compatible with our Service. A list of supported devices can be found at TFCU's website, www.teachersfcu.org.

FEES.

As of the effective date of this Agreement, TFCU does not charge a fee for the Mobile Deposit Service. However, you agree to pay the Credit Union any applicable fee as listed on the Schedule of Fees disclosure incorporated into this agreement and available on TFCU's website, www.teachersfcu.org.

The Credit Union may increase, alter, add or otherwise change the fees associated with this service and other amounts charged and payable under this agreement upon 30 days' notice or otherwise as allowed by law. Fee may be automatically debited from your account.

You are responsible for any communication fees your mobile carrier charges you for the use of this service.

GENERAL RESPONSIBILITIES.

1. You shall maintain one or more Accounts at Teachers Federal Credit Union for the receipt of deposits of digital images.
2. You will only submit digital images of Checks that meet the standards for image quality required by Regulation CC, or other standards established by law and TFCU's Truth-in-Savings Agreement and Disclosure incorporated into this agreement.
3. The Credit Union's processing of any Imaged Item that does not meet the check validation process shall not constitute a waiver by TFCU or obligate TFCU to process any such Non-Verified Item.
4. The Credit Union may discontinue processing Non-Verified Items at any time, without cause or prior notice.
5. You will not attempt to scan and transmit to us any previously truncated and reconverted Substitute Checks. Any previously truncated and reconverted Substituted Checks must be physically deposited with TFCU.
6. Notwithstanding the foregoing, we may redeposit any returned Substitute Check consistent with the terms of the Truth-in-Savings Agreement and Disclosure.
7. You will ensure that checks are properly endorsed or otherwise processed to permit only financial institutions to acquire rights of a holder in due course in the collection process of Items.
8. You will handle, process, maintain and destroy original checks as set forth in bullet point 15 below.
9. You will ensure that no financial institution (depository, collecting or payor), drawee, drawer or endorser receives presentment or return of, or otherwise is charged for an Item more than once in any form.
10. You will use the Service, including the entering, processing and transmittal of digital image, in accordance with this Agreement. In addition, you will provide, at your own expense, a Mobile Device required to use the Service.
11. You will provide, or obtain from another party selected by you at your expense, support and maintain such Mobile Device required to use the Service.
12. A check payable to two payees must be endorsed by both payees. If the check is payable to you or your joint owner, either of you can endorse it. If the check is made payable to you and your joint owner, both of you must endorse the check.
13. You shall be responsible for verifying the Credit Union's receipt of the transmission(s). This can be accomplished by verifying that deposits have been posted to the appropriate accounts. In addition, you are responsible to cooperate in any investigation to resolve any unsuccessful or lost transmission with the Credit Union.
14. You will ensure that the Mobile Device is operating properly, and inspect and verify the quality of images and ensure that the digital images of paper checks are legible for all posting and clearing purposes.
15. You shall exercise due care in preserving the confidentiality of any user's identification, password, test key, or other code or authentication method provided by TFCU or otherwise required for use of the Service and shall further prevent the use of the Service by unauthorized persons. You assume full responsibility for

the consequences of any missing or unauthorized use of or access to the Service or disclosure of any confidential information or instructions by you.

16. You will retain each original check and keep it in a safe and secure environment for such time as deemed necessary and advisable: a minimum period of SIXTY TWO (62) days after such Item has been converted to a digital image and processed. Promptly after such period expires, you must destroy the original check by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. *After destruction of an original check, the image will be the sole evidence of the original check.*

17. You shall take appropriate security measures to store the original checks, and the information contained on such original checks.

18. Upon a request from the Credit Union, you will promptly (within 5 business days) provide any retained original check (or, if the original check is no longer in existence, a sufficient copy of the front and back of the original check) to us to aid in the clearing and collection process to resolve claims by third parties with respect to any digital image or as the Credit Union otherwise deems necessary.

19. You will use a reasonable method which is consistent with any requirements of Regulation CC to destroy original checks after the retention period has expired (see bullet point 15).

20. You understand and agree that a digital image that is not paid by a Payor Financial Institution, or is otherwise returned for any reason, will be returned to you and your Account will be charged for the amount of the Substitute Check plus any associated fee as disclosed in the Credit Union's Schedule of Fees.

21. The Credit Union's right to charge your Account will apply without regard to whether the Substitute Check is timely returned to TFCU or whether there is any other claim or defense that the Item has been improperly returned to the Credit Union.

22. The member represents and warrants to Teachers Federal Credit Union that (except as otherwise specifically disclosed in writing to the Credit Union) you are not now engaged, and will not during the term of this Agreement engage, in any business that would result in your being or becoming a "money service business" as defined in the Federal Bank Secrecy Act and its implementing regulations.

23. You will not engage in any activity directly or indirectly related to the use of the Service that is illegal or fraudulent.

24. The member represents and warrants that any item presented is a digital image of the front and back of a check and accurately represents all of the information on the front and back of a check as of the time the member converted the check to a digital image.

25. The member represents and warrants that any Imaged Item contains all endorsements applied by parties that previously handled the Check in any form for forward collection or return; and all encoding, transfer, presentment and other warranties made under applicable law as the Credit Union is deemed to make under applicable law, including without limitation those under the Universal Commercial Code, Regulation CC and the rules of any Substitute Check.

26. The member represents and warrants there will be no duplicate presentment of a Check in any form, including as a digitized image, as a paper negotiable instrument or otherwise and you assume responsibility for any such duplicate presentment of any Check.

PROCEDURES FOR MOBILE DEPOSIT CAPTURE SERVICE.

1. Your Account will be provisionally credited upon the Credit Union's acceptance of the digital image for deposit which is received by TFCU from you through the Service.
2. You will create images of the front and back of Checks at your location by use of TFCU's Application and your Mobile Device with a camera.
3. You will enter all amounts and any other required information correctly.
4. Upon receipt of the digital image we will review the image for acceptability.
5. You understand that in the event you receive notification from us confirming receipt of an image, such notification does not mean that the image contains no errors.
6. The Credit Union will maintain the appropriate Member Account to receive deposits and provide other specific information required by the Credit Union related to the Service.
7. As set forth in this agreement, all deposits received by us are subject to normal collecting process as well as to the Credit Union's verification and final inspection and may be rejected by us at our sole discretion.
8. All deposits are subject to the terms of the Credit Union's Funds Availability Policy.

ELIGIBLE CHECKS AND ITEMS.

You agree to scan and transmit only checks as that term is defined in the Federal Reserve Regulation CC ("Reg CC") and only those checks that are permissible under this Agreement or such other items as we, in our sole discretion, elect to include under the Service.

You agree that the image of the check transmitted to us shall be deemed an "item" within the meaning of Article 4 of the applicable Uniform Commercial Code.

You agree that you will not use the Service to scan and deposit any checks or other items as described below:

1. Checks or items payable to any person or entity other than you, or to you and another party.
2. Checks or items containing alteration to any of the fields on the front of the check or item (including the MICR line), or which you know or suspect, or should know or suspect, are fraudulent or otherwise not authorized by the owner of the account on which the check or item is drawn.

14. Bonds.
15. Checks or items that are incomplete.
16. Checks or items prohibited by our current procedures relating to the Service or which are otherwise not acceptable under the terms of your Mobile Deposit Account.

IMAGE QUALITY.

The image of a check or item transmitted to TFCU using the Service must be legible. The image quality of the checks and items must comply with the standards established from time to time by the American National Standards Institute, or any higher standard set by us, and with any requirements set by any clearing house we use or agreement we have with respect to processing checks or items. You agree that we shall not be liable for any damages resulting from a check or item's poor image quality, including those related to rejection of or the delayed or improper crediting of such a check or item, or from any inaccurate information you supply regarding the check or item.

RECEIPT OF DEPOSIT.

All images processed for deposit through Mobile Deposit will be treated as "deposits" under your current Account Agreement with us and will be subject to all terms of the Account Agreement. When we receive an image, we will confirm receipt via email to you. We shall not be deemed to have received the image for deposit until we have confirmed receipt to you. Confirmation does not mean that the image contains no errors. We are not responsible for any image that we do not receive.

CHANGES TO THE SERVICE & LIMITATIONS.

We reserve the right to terminate, modify, add and remove features from the Service at any time in our sole discretion. You may reject changes by discontinuing use of the Service. Your continued use of the Service will constitute your acceptance of and agreement to such changes. Maintenance to the Service may be performed from time-to-time resulting in interrupted service, delays or errors in the Service and we shall have no liability for any such interruptions, delays or errors. If TFCU deems it reasonably practicable to do so and if the change adversely affects the Member's usage of the Service, the Credit Union will notify the Member of the change in advance. Otherwise, the Credit Union will notify the Member of the change as soon as reasonably practicable after it is implemented, such notice may be given electronically.

Circumstances beyond the Credit Union's control (such as telecommunications failure, equipment failure, environmental factors, war, acts of God) may also cause the Service to be temporarily unavailable to you. TFCU does not assume responsibility for any such events or any resulting damages that you may incur as a result of our service interruption.

When using the Service, you may experience technical or other difficulties. We do not assume responsibility for any such difficulties or any resulting damages that you may incur. For security reasons, the Service has qualification requirements, and we reserve the right to change the qualifications at any time without prior notice. We reserve the right to change, suspend or discontinue the Service, in whole or in part, or your use of the Service, in whole or in part, immediately and at any time without prior notice to you. We reserve the right to limit the number of Mobile Devices through which you may access the Service.

Except as expressly provided in this agreement, deposits made through the Service are subject to all limitations and terms set forth in the relevant deposit agreement governing your Mobile Deposit Account as it may be modified from time to time, including, but not limited to, those related to deposit acceptance, crediting, collection, endorsement, processing order and errors.

SECURITY OF YOUR MOBILE DEVICE AND ACCOUNT INFORMATION.

You are responsible for (i) maintaining the confidentiality and security of your Mobile Devices, access number(s), password(s), security question(s) and answer(s), account number (s), login information, and any other security or access information, used by you to access the Service (collectively, "Access Information"), and (ii) preventing unauthorized access to or use of the information, files or data that you store, transmit or use in or with the Service (collectively, "Account Information"). You agree not to supply your Access Information to anyone. You will be responsible for all electronic communications, including image transmissions, email and other data ("Communications") entered using the Access Information. Any Communications received through the use of the Access Information will be deemed to be sent or authorized by you. You agree to immediately notify us if you become aware of any loss, theft or unauthorized use of any Access Information, including your Mobile Devices. We reserve the right to deny you access to the Service (or any part thereof) if we believe that any loss, theft or unauthorized use of Access Information has occurred.

APPROVED MOBILE DEVICE.

Smartphones and Other Web Enabled Devices: You acknowledge that smartphones and other Web enabled devices, including the mobile device you use to access the Mobile Banking Service, are subject to the same security risks as computers that are attached to the Internet and agree that it is your responsibility to maintain anti-virus and anti-spyware programs on your mobile device. You also agree not to use a mobile device that has been altered from the original factory settings. This type of altering is commonly referred to as "Jail Broken", "unlocked" or "rooted". You agree to exercise caution when utilizing the Mobile Banking Service application on your mobile device and to use good judgment and discretion when obtaining or transmitting information. Any losses, charges and unauthorized transactions involving your Accounts that are incurred through loss of your mobile device or your failure to safeguard the security credentials you use (such as Usernames and passwords) to access the Mobile Banking Services and Internet Banking will remain your responsibility, except as otherwise provided in applicable law, regulation or other agreements between you and the Credit Union.

THE CREDIT UNION'S RIGHTS AND RESPONSIBILITIES.

1. For all digital images processed by you, pursuant to this Agreement, the digital images will be converted to Substitute Checks and presented for payment.

6. In addition to any other rights the Credit Union may have with regards to your Accounts, we may hold and use funds in any deposit Account you maintain with us following termination of this Agreement for such time as the Credit Union reasonably determines that any Item processed by TFCU prior to termination may be returned, charged back or otherwise a cause for any loss, liability, cost, exposure or other action for which the Credit Union may be responsible.
7. Without limitation, you recognize that under the Rules, the UCC, Regulation CC and the rules of any digital image the Credit Union's representations and warranties as regards Substitute Checks may expose TFCU to claims for several years following the processing of the Substitute Check.
8. The Credit Union shall be excused from failing to act or delay in acting if such failure or delay is caused by legal constraint, interruption of transmission, or communication facilities, equipment failure, war, emergency conditions or other circumstances beyond the Credit Union's control.

9. In the event of any of the foregoing failure or delays, you acknowledge that you may instead deposit directly with the Credit Union any original items for processing and presentment provided such original items have not been previously imaged and processed in connection with TFCU's Mobile Deposit Service.
