INSPIRING HOPE FOR A GLOBAL COMMUNITY

October 15 is International Credit Union Day! This event celebrates the credit union movement and promotes awareness for the credit union philosophy of “People Helping People.”

Here's how you can support the movement:

- Tell a friend (or two, or three) about how being a member of a credit union has helped you reach your financial dreams.
- Follow our Facebook page @TeachersFCU, where you can share your story by leaving a review.
- Visit one of our branches or give our Contact Center a call — our experts can provide guidance for your financial journey.

We are financial partners, teachers and champions of our members' futures. We remain committed to providing the best financial education and member service to everyone and anyone!

OUR COMMUNITY COMMITMENT

The foundation of Teachers is our community and we are proud to share how we helped students and children in need this September.

- School supplies and masks were donated to elementary schools across Long Island, to help them get ready for the school year.

Students also received some fun Teachers swag, like a drawstring backpack and piggy bank!

- 29 employee volunteers raised \$1,345 and attended the Ronald McDonald House Virtual Walk of Love & 5K Run hosted by the Stony Brook Advisory Board.

The event benefits the Ronald McDonald Family Room at Stony Brook Children's Hospital, which provides extra support to families of hospitalized children.
