WATCH
OUT
FOR...

- Charity Scams: Unfortunately, fraudsters are posing as charity staffers and asking for donations during these trying times. Before providing any information for payment, visit the charity's official website and contact them through their channels.
- Phishing Scams: Scammers have been posing as national organizations like The IRS, looking for personal financial information. You can verify calls by going straight to the source, like visiting official websites.
- Investment Scams: Fraudsters are creating websites to invest in false stocks. If it sounds too good to be true, it probably is. Always research traders before providing information or making any financial decisions.

STAY
SAFE
BY...

- Using our Mobile Apps: Keep track of your transactions with the Teachers Mobile App and Card Valet where you can set up your cards for transaction notifications.
- Checking for Spelling: Verify emails and email addresses by looking for grammatical errors, and hover over links to determine where they are actually going.
- Staying up to Date: Current rates and information can be found at teachersfcu.org and our social media channels.

WE ARE HERE FOR ALL

From employees to members to neighbors, the foundation of Teachers Federal Credit Union has always been our community. During these unprecedented times, our organization is channeling our passion for the communities we serve to support our healthcare professionals on the frontlines of fighting Covid-19 and local small businesses that have been financially affected.

Teachers Federal Credit Union exists to serve everyone and anyone. We are playing our part to provide assistance to those who need our help as we collectively face new challenges like never before.

Good Samaritan Hospital

Working with local restaurant and Teachers member, The Lindenhurst Diner, Teachers covered the costs of preparation and delivery of 50 meals to Good Samaritan Hospital Medical Center's ER COVID-19 Units A&B.

Ronald McDonald House

A donation of \$5,000 provided 420 meals for the Ronald McDonald House families that currently have children in treatment at local hospitals and medical facilities.

Supporting Downtown Restaurants

The Local Chambers of Commerce of Babylon, Bay Shore, Patchogue, Port Jefferson and Stony Brook facilitated donation drives to help support downtown businesses feed our healthcare workers on the front lines at local hospitals and to also keep the local Main Street economy in motion. Teachers donated \$5,000 to each chamber to help support their amazing efforts.

Our Team Supports Small Businesses

The Teachers team shared their favorite small businesses with each other and on social media, and then were given gift cards to those locations to help support them in their time of need. Over 50 employees participated, which helped put over a \$1,000 back into the community.
