Annual Percentage Rate for Cash Advances	<b>Prime + 6%*</b>	Method of Computing the Balance for Purchases	Average Daily Balance Including New Purchases
Annual Percentage Rate for Balance Transfers	<b>Prime + 6%*</b>	<p>*A finance charge will be imposed on Credit Purchases only if you elect not to pay the entire new balance shown on your monthly statement for the previous billing cycle within 25 days from the closing of that statement. If you elect not to pay the entire new balance shown on your previous statement within the 25-day period, a finance charge will be imposed on the unpaid average daily balance of such Credit Purchases from the previous statement closing date and on the new Credit Purchases from the date of posting to your account during the current billing cycle, and will continue to accrue until the closing date of the billing cycle preceding the date on which the entire balance is paid in full or until the date of payment if more than 25 days from the closing date. The finance charge for a billing cycle is computed by applying the monthly periodic rate to the average daily balance of Credit Purchases, which is determined by dividing the sum of the daily balances during the billing cycle by the number of days in the cycle. Each daily balance of Credit Purchases is determined by adding to the outstanding unpaid balance of Credit Purchases at the beginning of the billing cycle any new Credit Purchase posted to your account, and subtracting any payments as received or credits as posted to your account, but excluding any unpaid finance charges.</p> <p><b>A finance charge will be imposed on Cash Advances from the date made or from the first day of the billing cycle in which the Cash Advance is posted to your account, whichever is later, and will continue to accrue until the date of payment.</b></p> <p><b>**The prime rate used to determine your APR is the rate published in the Wall Street Journal on the last business day of the month prior to the end of the quarter.</b></p> <p>New York residents may contact the New York State Banking Department to obtain a comparative listing of credit card rates, fees and grace periods by calling 1-800-518-8866.</p>
