

A MESSAGE FROM OUR PRESIDENT AND CEO, *BRAD C. CALHOUN*

As we begin a new year, I reflect upon the journey that was 2020. Facing challenges like never before, the country learned to adapt to a “new normal,” in every sense. The COVID-19 pandemic changed the way we live, work, and bank, and further emphasized the importance of digital touchpoints and solutions so that we can best meet the needs of our employees, members, and community at large.

Going into 2021, we remain dedicated to building and transforming the Teachers experience to help our members achieve their financial goals. 2020 accelerated the need to be digitally-focused, and it is our promise to further invest in the best technology and digital solutions as your financial partner – whether that be continuing to enhance our website or simplifying our online account opening and management tools.

We’re emerging from a year that had us all reflecting on what is important. With a renewed appreciation for what matters most, there’s no better time than now to review your

finances and get the most out of your money. At Teachers, we stand ready to help you reach your financial dreams, in 2021 and beyond.

Teachers’ purpose and mission are rooted in our passion to serve, and we are proud of the 350,000 members that make up our organization. In 2020 alone, we welcomed 31,000 new members to the Teachers family, had the pleasure of assisting nearly 5,000 members with their home lending needs, and helped more than 16,000 members get behind the wheel of a new car. We remain committed to providing you with the smartest guidance to build a stronger financial foundation today, for a better tomorrow.

As always, thank you for your membership! It is our honor to serve you, and we look forward to helping you reach long-term financial success and a healthier life in the future.

Brad C. Calhoun
President/CEO

NEW YEAR, NEW RESOLUTIONS

Kick off 2021 with a financial plan that will set you on the path to success! Whether your objective is to spend less or save more, start with these tips, and know Teachers is here to help you achieve your goals.

- 1. Review your Statements** - Looking back can help you move forward. Pull up your previous three statements and analyze trends in spending. You'll be able to tell where you've overspent in order to save in the new year.
- 2. Cancel Unused Subscriptions** - There's nothing worse than paying for a product or service you don't use. Leave those in 2020 and enjoy a little extra cash each month.
- 3. Start a Budget** - A new year means the chance to start fresh with a budget plan. Sit down to itemize your living expenses and compare the total amount to your income. If there's room leftover, it's time to save!
- 4. Research Investment Opportunities** - Once your budget is set, you'll know how many additional dollars you have to use toward saving and investing. Get in touch with one of our financial advisors who can help you get started and provide personalized solutions.

LET'S HEAR IT FROM OUR MEMBERS

Mary F. came into the Stony Brook branch with a question, and left with our low-rate Holiday loan!

"The Stony Brook Teachers team is amazing. The staff is very friendly, professional and attentive. The facility is state of the art and extremely clean and it's a pleasure banking here."

-Mary F.

Do you have a great Teachers story you'd like to share? We would love to hear how being part of the credit union movement has helped you on your financial journey.

GIVING BACK TO OUR COMMUNITIES

Teachers lives by the philosophy of People Helping People, whether we're helping members with their financial needs, or are giving back to our local communities. With our guiding principles in mind, our team has been busy volunteering time and efforts at multiple charitable organizations across Long Island.

In December, our employees raised money and collected non-perishable goods for Charlotte's Table Pantry, one of three food pantries in Suffolk County run by the Association for Mental Health & Wellness.

With Nassau Veterans Memorial Coliseum standing tall behind them, Team Teachers distributed boxes filled with Thanksgiving food and supplies to local families in need through Island Harvest.

Working together with one of our long-time partners, Habitat for Humanity, our team helped build furniture and organize donations at the Restore for Habitat for Humanity store.

We "adopted" local families in partnership with The Salvation Army, the Family Service League, Habitat for Humanity and Patchogue Medford Youth & Community Services. Hats, gloves, scarves, toys and food baskets were given to help make the holidays more enjoyable for those in need during an already challenging year.

LEARNING NEVER STOPS: SCHOLARSHIP OPPORTUNITY

We are committed to helping our members build a strong financial foundation today, for a better tomorrow. We believe that learning never stops, and are proud to offer over \$35,000 in scholarships through the Teachers Federal Credit Union Scholarship Program and the Robert G. Allen Scholarship Program!
