

## TRUTH-IN-SAVINGS DISCLOSURE

### SHARE SAVINGS ACCOUNT

**Rate Information:** The dividend rate and annual percentage yield may change at any time. We may change the dividend rate for your account as determined by the credit union's board of directors.

**Compounding and crediting –** Dividends will be compounded on a daily basis. Dividends will be credited to your account every quarter.

**Dividend period –** For this account type, the dividend period is quarterly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period and for the example above is March 31.

**Minimum balance requirements:** The minimum balance required to open this account is \$1.00. You must maintain a minimum daily balance of \$50.00 in your account each day to obtain the disclosed annual percentage yield.

**Daily balance computation method –** Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

**Accrual of dividends on noncash deposits –** Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

**Transaction limitations:** During any month, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized, automatic or computer transfer, or telephonic order or instruction, or similar order to a third party. If you exceed the transfer

limitations set forth above, your request will not be honored.

**Fees and charges:** An inactive account fee of \$10.00 will be charged every month if the balance in this account drops below \$100.00 and there has been no activity in the account during the prior two years.

Share and share draft accounts consist of a transaction sub-account and a savings sub-account.

Funds not routinely needed to pay debits may be transferred to a savings sub-account. This process will not affect your available balance, the interest you may earn, NCUA insurance protection, your monthly statement, or any other features of this Account. TFCU may periodically transfer funds between these two sub-accounts. If your Account is a Plan on which interest is paid, your interest calculation will remain the same. Otherwise, the savings sub-account will be non-interest bearing. The saving sub-account will be governed by the rules governing our other savings accounts indicated within the Withdrawals Section of your Account Agreement.

### YOUTH SAVINGS ACCOUNT

**Rate Information:** The dividend rate and annual percentage yield may change at any time. We may change the dividend rate for your account as determined by the credit union's board of directors. Youth Savings Accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the dividend rate and annual percentage yield for that balance tier range will apply to the respective tier balance of your account.

**Compounding and crediting** – Dividends are calculated using simple interest. Dividends will be credited to your account every quarter.

**Dividend period** – For this account type, the dividend period is quarterly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period and for the example above is March 31.

**Minimum balance requirements:** The minimum balance required to open this account is \$1.00. You must maintain a minimum daily balance of \$50.00 in your account each day to obtain the disclosed annual percentage yield.

**Daily balance computation method** – Dividends are calculated using simple interest.

**Accrual of dividends on noncash deposits** – Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

**Transaction limitations:** During any month, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized, automatic or computer transfer, or telephonic order or instruction, or similar order to a third party. If you exceed the transfer limitations set forth above, your request will not be honored.

**Fees and charges:** An inactive account fee of \$10.00 will be charged every month if the balance in this account drops below \$100.00 and there has been no activity in the account during the prior two years. Share and share draft accounts consist of a transaction sub-account and a savings sub-account. Funds not routinely needed to pay debits may be transferred to a savings sub-account. This process will not affect your available balance, the interest you may earn, NCUA insurance

protection, NCUA insurance protection, your monthly statement, or any other features of this Account. TFCU may periodically transfer funds between these two sub-accounts.

**Youth Savings Account Age Requirements:** Members are eligible for a Youth Savings account up to age 21. Upon turning 21 years old, the account will automatically convert to a Regular Share Savings account and be subject to any rate or applicable rules defined for this product type.

## SHARE DRAFT “CHECKING” ACCOUNT

**Rate Information:** The dividend rate and annual percentage yield may change at any time. We may change the dividend rate for your account as determined by the credit union's board of directors.

**Compounding and crediting** – Dividends will be compounding on a daily basis. Dividends will be credited to your account every quarter.

**Dividend period** – For this account type, the dividend period is quarterly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period and for the example above is March 31.

**Minimum balance requirements:** You must maintain a minimum daily balance of \$2,500.00 in your account each day to obtain the disclosed annual percentage yield.

**Daily balance computation method** – Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

**Accrual of dividends on noncash deposits** – Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

**Transaction limitations:** No transaction limitations apply to this account unless otherwise stated in the Common Features section. Share

and share draft accounts consist of a transaction sub-account and a savings sub-account. Funds not routinely needed to pay debits may be transferred to a savings sub-account. This process will not affect your available balance, the interest you may earn, NCUA insurance protection, your monthly statement, or any other features of this Account. TFCU may periodically transfer funds between these two sub-accounts. If your Account is a Plan on which interest is paid, your interest calculation will remain the same. Otherwise, the savings sub-account will be non-interest bearing. The saving sub-account will be governed by the rules governing our other savings accounts indicated within the Withdrawals Section of your Account Agreement.

## MONEY MARKET ACCOUNT

**Rate Information:** The dividend rate and annual percentage yield may change at any time. We may change the dividend rate for your account as determined by the credit union's board of directors.

**Compounding and crediting** – Dividends will be compounding on a daily basis. Dividends will be credited to your account every month.

**Dividend period** – For this account type, the dividend period is monthly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period and for the example above is January 31.

**Minimum balance requirements:** The minimum balance required to open this account is \$2,500.00. You must maintain a minimum daily balance of \$2,500.00 in your account each day to obtain the disclosed annual percentage yield.

You must maintain a minimum daily balance of \$500.00 in your account to avoid a below minimum balance fee. If, during any month, your account balance falls below the required minimum daily balance, your account will be subject to a below minimum balance fee of \$5.00 for that month.

Daily balance computation method – Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

**Accrual of dividends on noncash deposits** – Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

**Transaction limitations:** During any month, you may not make more than six withdrawals or transfers to another credit union account of yours or to a third party by means of a preauthorized, automatic or computer transfer, or telephonic order or instruction, or similar order to a third party, including withdrawals or transfers made by draft, debit card (if applicable), or similar order to a third party. Withdrawals in excess of the allotted six per month will be returned insufficient funds (NSF).

**Fees and charges:** Transactions returned NSF are charged a \$32.00 fee.

## BUSINESS SHARE SAVINGS ACCOUNT

**Rate Information:** The dividend rate and annual percentage yield may change at any time. We may change the dividend rate for your account as determined by the credit unions board of directors.

**\_\_IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT**

– To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.
